

MOD B - Enduring and Distinctive

It is to a large extent that Shakespeare's Henry IV part 1 becomes an enduring and distinctive work from its separation from traditional moorals of honour and its sole focus on the wellbeing of the state. Through Shakespeare's interrogation of leadership vs the differing perspectives on leadership of ~~Medieval~~ traditional Christian values, Humanist values, or a Machiavellian performance, it ultimately concludes that the most effective leader is a Machiavel who effectively manages their public image. This creates a uncomfortable message for readers throughout time as Shakespeare's rejection of honourable morals solidifies itself as an ~~end~~ distinctive work that creates its enduring nature as modern audiences still desire for ~~the~~ honesty characters such as ~~King~~ Hotspur to succeed despite their incompetence.

~~The play's interrogation of legitimizing demonstrates that leadership must be earned through competence as much as inherited by birth, advocating for a Humanist redefinition of authority~~

The play's enduring value lies in its Humanist redefinition of leadership, suggesting that ~~the~~ power should be earned through competence ~~as~~ on ideal that still resonates with modern audiences. The play opens in media res with Henry IV's dramatic monologue, "No more shall the thriving entrance of this soil drink her lips with her own children's blood"

using cannibalistic anthropomorphism to suggest that England was corrupted under Richard II's divine rule, suggesting that regicide was a necessary cure. ~~the~~ ~~By~~ ~~parallel~~ ~~By~~ suggesting that to escape corruption one has to overthrow their leaders, the work continually supports resonating with readers throughout time who live under oppressive ~~rule~~ rule, supporting events like the French ~~rule~~ revolutions of 1789, 1830, and 1848.

By suggesting that people should ~~have~~ work together to overthrow corrupt incompetent leaders,

Henry IV becomes a dramatic work that continues to resonate throughout time with audiences throughout time such as during the French rebellions of 1789, 1830 and 1848, earning its enduring value as the cycle of ~~rebellion repeats~~ incompetent corrupt ~~rule~~ rulers reappears through ~~across~~ ~~time~~ across time. Furthermore,

Henry IV critiques his own son's ability to lead "see not and dishonour stain the brow of my young Henry" ~~by~~ using metaphor to critique Hal's dishonour, a value imparted to him through Falstaff who functions as a surrogate father "Honour... his insensible then", revealing that while Falstaff has no use for honour, it is essential for Hal in order to build his public image and uphold his bloodline through power ^{competence} and intelligence rather than just inherit it as Richard II did. ~~Thus, By~~ depicting the failure of a ~~to~~ ~~for~~ Richard II who relied only on divine sanction and the travail of Henry IV who lacked it, Shakespeare

proposes ~~that~~ a synthesis of the two, a new kind of monarch whose authority is earned through a combination of inherited right and proven merit. By this, by examining past cycles of instability, Shakespeare applies his learnings throughout time, advocating for leaders to be for a Humanist redefinition of leadership, where leaders need proven merit, an ideal that resonates with modern audiences.

~~To align with the emerging~~
Shakespeare also creates an enduring piece through exploring Hal as a self-determined leader, ~~suggesting that audiences should~~ challenging the idea that nobility ensures capability. Unlike earlier theatrical depictions, Shakespeare creates an authentic characterisation of Hal as a leader where he chooses to undergo his transformation through conscious effort rather than a spontaneous divine event, resonating with the emerging self-made middle class. Through Hal's soliloquy "Yet herein I will imitate the sun" the use of deliberate ~~formal~~ foreshadows his eventual transformation and his deliberate self-fashioning as a competent ruler. Through this transformation, Hal rejects the world of Eastcheap during the roleplaying scene that ends with "I do, I will" where Shakespeare uses the meta-theatrics to demonstrate Hal's rejection of the Falstaff who functions as a metaphor for vice because of his immorality. "Honour is a mere scutcheon" this meta-theatrical scene reveals that Hal is a humanist leader.

who gains legitimacy through manipulating his public image through conscious action. Thus, by providing a blueprint for how to ~~become~~ gain popularity ~~that~~ Henry IV earns its enduring value as modern day leaders like Vladimir Zhirinovskiy undergoes the same transformation as Hal, going from a comedy actor to wartime political leader.

Falstaff and Hotspur are crafted as ~~high~~ hyperbolic metaphors of the opposing value systems in the kingdom, ~~whereas where the~~ ~~by~~ By crafting Falstaff and Hotspur as ~~these~~ ~~metonymic~~ of progressive and conservative voices in any kingdom political environment, Henry IV a Shakespeare allows his message to transcend historical context and become eternally relevant. Hal synthesizes the two ideals forging a new ~~the~~ pragmatic model of kingship that reveals Machiavellianism is a requirement for an effective statecraft, wherein lies its ~~a~~ distinctive quality. Falstaff functions as a character foil of Hotspur, where he uses cynical realism to undermine honour in his soliloquy "What is that word honour, who ~~thinks~~ hath it? He that died o' Wednesday" using ~~it~~ ~~the~~ ~~repeated~~ the ~~correct~~ ~~consecution~~ uses rhetorical questions to frame the honour as a guide on how to die properly. However, the enduring value is found in Hal's recognition of Hotspur's political ability when he offers to duel for him in a single fight" where he takes inspiration from Machiavelli's
